## Special announcement for this schedule

**EUCCHARISTIC MINISTERS:** We will continue to have 4 people distributing the Eucharist at our Masses. But until further notice, we will not be offering the cup. The ministers listed will all distribute the Body, until Father LeRoy decides differently.

Also please make yourself aware of those wanting to receive, but not able to come forward for communion because of limited mobility. They are seated in the front pews, standing in pews near the front, or in the Narthex. Distribute to those people first and then the congregation coming forward.

**USHERS:** Please be mindful of those, seated further back or in the Narthex, who may be requesting assistance to receive too. Make our Eucharistic ministers aware of them and lead them to those locations. Thank you!

We appreciate ALL our ministers for your commitment and flexibility as those attending mass need our assistance.
